23. Letters etc. found in the tender box regarding raising or lowering the rate or dealing with any point in connection with the tender will not be considered.
24. In case of any discrepancy in printing or omissions of statutory specifications / clauses or any other part of this approved document as in this DTCN during process of download of the Bid documents, then the decision of the authority inviting the Bid / Tender will be binding on the tenderer.
25. (a) The authority reserves the right to reject any or all the tenders received without assigning any reason thereof.
(b) The authority reserves the right to increase / reduce the scope of work without assigning any reason thereof.

PERCENTAGE BID CR ITERIA

26. In this case of percentage rate tenders, only percentage at par / excess / less of the total value put to tender for the whole work shall be written by the tenderer legibly both in words and figures at the last page of the Bill of Quantity (i.e. Price Bid) showing the total value put to tender. If there will be difference in numeral figure and the word depicting the percentage rate, then the "word" will be considered as correct. Any over writing, correction or interpolation should be avoided while quoting this percentage rate. Where unavoidable, this should be properly initialed by the tenderer.
- The tenderer must fill only one of the three alternatives / options mentioned at last page of the BOQ / Price Bid as to quoting of percentage rate.
 - If more than one will be filled in, then the Price Bid will be summarily rejected.
 - The contractor will write percentage excess or less up to one decimal point only. If he / she write the percentage excess or less up to two or more decimal point, the first decimal point shall only be considered without rounding off.
27. While preparing the bills for this percentage rate tender work, each item of work will be evaluated at the estimated rate and the gross amount will be derived from there by adding each individual item value. Then the percentage excess or less as quoted by the contractor will be added or subtracted from that gross amount of the bill.
28. Tenders received within due date and time as in Clause-9(i) will remain **valid for a period of 90 (Ninety) days** from the last date of receipt of tenders. The validity of the tenders can be extended if agreed to by the tenderer.
29. Every tenderer is expected to inspect the site of the proposed work before quoting his percentage rate for the work. He should also inspect the quarries, approach roads to quarries and satisfy himself about the quality and availability of materials. In every case, the materials must comply with the relevant specifications. Complaints by the tenderers at a future date regarding wrong assessment as to the availability of materials at quarries will not be entertained.
30. i) Bid documents consisting of specifications, the Schedule of Quantities and the set of terms and conditions of contract and other necessary documents can be seen in all the offices issuing the documents, during office hours everyday except on Sundays and Public Holidays till last date of sale and receipt of tender papers. Interested bidders may obtain further information at the same address.

- (ii) The tenderer shall carefully study the tentative drawings if any and specifications applicable to the contract and all other documents, which will form a part of the agreement before tendering for the work. Complaint at a future date that plans and specifications have not been seen by the tenderer can not be entertained.
- (iii) These tentative drawings are subject to revision or modification during the execution as per actual necessity and test conducted. But, the tendered rate for the total work quoted by the tenderer will hold good in case of such modification of drawings during the time of execution and shall in no way invalidate the contract and no extra monetary compensation will be entertained. The work shall however, be executed as per final approved drawing to be issued by the Engineer-in-Charge as and when required.

31. Tenderers are required to go through each clause of P.W.D. Form P1 carefully in addition to the clauses mentioned herein before tendering.
32. Additional performance security shall be obtained from the bidder when the bid amount is less than the estimated cost put to tender. In such an event, the bidders who have quoted less bid price/rates than the estimated cost put to tender shall have to furnish the exact amount of differential cost i.e. estimated cost put to tender minus the quoted amount as Additional Performance security in shape of Demand Draft/ Term Deposit Receipt pledged in favour of the Chief Executive in sealed envelope along with the price bid **at the time of drawl of agreement**.
33. Only the Schedule of Quantities showing the items of work, its quantity, its rate as per Estimate and the total value of the items i.e. work are contained in (Price Bid). It shall definitely be understood that the Government does not accept any responsibility for the correctness or completeness of this schedule and that this schedule is liable for alteration or omissions, set forth in the conditions of the contract and such omissions, deductions, additions or alterations shall no way invalidate the contract.
34. The earnest money deposited by the tenderer will be retained and dealt with as per the terms and conditions of the O.P.W.D. code.
35. The bidder / tenderer whose bid has been accepted will be intimated by Regd. Letter by the Engineer-in-charge prior to expiry of the validity period. This letter (hereinafter and in the conditions of Contract called the "Letter of Acceptance") will state the sum that the Engineer-in-charge will pay the contractor in consideration of the execution, completion and maintenance of the works by the contractor as prescribed in the contract (here-in-after and in the contract called the "Contract Price").

The notification of award will constitute the formation of the contract, subject only to the furnishing of a performance security (**Initial Security Deposit**) in shape of Fixed Deposit Receipt of any scheduled Bank / Kissan Vikash Patra / Post Office Savings Bank Account / National Savings Certificate / Postal Office Time Deposit Account duly pledged in favor of the **Chief Executive**, RPRC, Bhubaneswar and in no other form..The security deposit together with the earnest money and the amount withheld according to the provision of P1 agreement shall be retained as security for the due fulfillment of this contract and additional performance security in accordance with the provisions of the agreement.

- (ii) The successful bidder will sign the agreement in conformity with Standard P.W.D. Form P1 with latest amendments within 15 (Fifteen) days following the notification of award i.e. "Letter of Acceptance" by the officer –in- charge.
- (iii) Failure to enter in to the required agreement and to make the security deposit as above shall entail forfeiture of the **Bid Security** (earnest money). No contract (tender) shall be finally accepted until the required amount of initial security money is deposited. The security will be refunded after Twelve months of completion of the work and payment of the final bill and will not carry any interest. As concurred by Law Department & Finance Department In their U.O.R. No 848, dtd.21-05-1997 J.O.R.No.202 W.F.D. Dtd. 06.03.98 respectively the E.M.D. will be forfeited in case where tenderers back out from the offer before acceptance of tender by the competent authority.

36. By admission of a tender for the work, a contractor will be deemed to have satisfied himself by actual inspection of the site and locality of the work, about the quality and availability of the required quantity of material including the medical aid, labour and food stuff etc. and that rate quoted by him in the tender will be adequate to complete the work according to the specifications attached there to and that he had taken in to account all conditions and difficulties that may be encountered during its progress and to have quoted rate including labour and materials with taxes, octroi, other duties, lead, lifts, loading and unloading, freight for all materials and all other charges necessary for the completion of the work, to the entire satisfaction of the Engineer-in-Charge of the work and his authorized subordinates. After acceptance of the contract rate, Government will not pay any extra charges for any reason in case the contractor claims later on to have misjudged as regards to availability of materials, labour and other factors.
37. In case the 1st lowest tenderer or even the next lowest tenderers withdraw in series one by one, thereby facilitating a particular tenderer for award, then they shall be penalized with adequate disincentives with forfeiture of EMD unless adequate justification for such back-out is furnished. Appropriate action for **blacklisting such tenderers shall also be taken apart from disincentivising the tenderer.**

Clause-2(a) of P1 Contract:-TIME CONTROL:-

2.1. Progress of work and Re-scheduling programme.

- 2.1.1. The Chief Executive shall issue the letter of acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.
- 2.1.2. Within 15 days of issue of the letter of acceptance, the contractor shall submit to the authority a work Programme for approval commensurate to **Clause no. 2.1.3** showing the general methods, arrangements, and timing for all the activities in the Works along with monthly cash flow forecast.
- 2.1.3. To ensure good progress during the execution of the work the contractors shall be bound in all cases in which the time allowed for any work exceeds one month to complete, 1/4th of the whole time allowed under the contract has elapsed, 1/2 of the whole of the work before 1/2 of the whole time allowed under the contract has elapsed, 3/4th of the whole of the work before 3/4th of the whole time allowed under the contract has elapsed.
- 2.1.4. If at any time it appears to the Engineer-in-Charge that the actual process of the work does not conform to the work programme, the Contractor shall produce, at the request of the Engineer-in-Charge, a revised programme showing the modifications to ensure completion of the works within the time for completion. If the contractor does not submit an updated Programme within this period, the Engineer-in-Charge may withhold the amount of 1% of the contract value from the next payment certificate and continue to withhold this amount until the next payment after the date on which the revised Programme has been submitted.
- 2.1.5. The Engineer-in-Charge's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme is to show the effect of Variations and Compensation Events.

Extension of the Completion Date

- 2.1.6. The time allowed for execution of the work as specified in the Contract shall be the essence of the Contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of Award after the date on which the authority issues written orders to commence the work or from the date of handing over of the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the Earnest Money & Performance Guarantee / Security Deposit absolutely.
- 2.1.7. As soon as possible after the Agreement is executed, the Contractor shall submit the Time & Progress Chart for each milestone and get it approved by the Department. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Chief Executive and the Contractor within the limitations of time imposed in the contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per milestone given in contract data.
- 2.1.8. In case of delay occurred due to any of the reasons mentioned below, the Contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.
- i) Force measures
 - ii) Abnormally bad weather
 - iii) Serious loss or damage by fire) Civil commotion, local commotion of workmen, strike or lockout affecting any of the trades employed on the work.
 - v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-Charge in executing work not forming part of the Contract.
 - vi) In case a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost.
- and**
- vii) Any other cause, which, in the absolute discretion of the authority mentioned, in Contract data is beyond the Contractors control.
- 2.1.9. Request for reschedule and extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.
- 2.1.10. In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the Engineer-in-Charge in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the contractor.

2.2. Compensation for Delay.

- 2.2.1. If the contractor fails to maintain the required progress in terms of clause 2 or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as the Chief Executive (whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every completed day / month (as applicable) that the progress remains below that specified in Clause 2 or that the work remains incomplete.

This will also apply to items or group of items for which a separate period of completion has been specified. Compensation @ 1.5% per month of for delay of work, delay to be completed on per Day basis.

Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work or to the Tendered Value of the item or group of items of work for which a separate period of completion is originally given.

The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Government. In case, the contractor does not achieve a particular milestone mentioned in contract data, or the rescheduled milestone(s) in terms of Clause 2.1.5, the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However no interest whatsoever shall be payable on such withheld amount.

2.3. Management Meetings.

- 2.3.1. Either the Engineer or the Contractor may require the other to attend a management meeting. The business of a management meeting shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

- 2.3.2. The Engineer shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

Clause-2 (b) of Percentage Rate P1 Agreement: - Rescission of Contract (Amendment as per letter No.10639 dated, 27.05.2005 of Works Department, Odisha) :-

To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Chief Executive shall be conclusive evidence), 20% of the value of left over work will be realized from the contractor as penalty.
